

You and a partner will be creating a primary source about your 7th grade year. You will create a magazine using an online program called [Canva](#). Be creative and think of things that you will want to tell your potential kids about when they are in 7th grade. The topics can be serious, funny, silly or anything you want to include.

Using your school Google login create an account on [canva.com](#)

Select "Student"

Select Template for Magazine

Use the existing design templates or build your own.

Work is stored automatically like Google Docs

Things to include:

1. Cover with image (s)
2. Title
3. 8 newsworthy events from the start of 7th grade (July 2016) to the present
  - a. Use at least 3 national stories
  - b. Use at least 3 local stories
  - c. Other choices are up to you
4. Images are a must, you will need to download or "save image as" to upload to the program
5. Include a letter to yourself in 25 years about your experience in 7th grade, this can include funny stories, friends, events, feelings about how the news of the year affected you. Think about things you don't want to forget about. Be reflective on the past year.-  
**Each person in the partnership does their own.**
6. Each person should type in different colors or fonts- indicate who did what
7. Stories about sports, music, movies, pop culture (yes you can put fidget spinners in here) fads
8. Be creative and have fun with this, this assignment is about your 7th grade year. **It was historic so preserve it.**
9. Reminders
  - a. No Gossip
  - b. Be Kind
  - c. Be Respectful
10. When finished simply click share and enter my email with privileges to view
  - a. [cshaw4@wcpss.net](mailto:cshaw4@wcpss.net)
  - b. Due at end of class Monday June 5
