

Explorer Cards Directions

1. Cut out each card.
2. You may work with 1 other person.
3. Using your device, laptop or desktop computer, look up the required information and fill in each card.
4. Be creative in decorating each card, ideas- make the background a sketch of the person, map of where they explored, flag of the nation they served....be creative
5. When finished staple them together in the upper-left corner. You will turn this in by the END of class tomorrow. You will have time to finish this after your quiz is finished. Yes you can use this to help you study for the quiz
