How do timelines help us study history?

Step One- RESEARCH

Pick a historical decade (a period of 10 years) in history. Research TEN events that happened during this decade. On the <u>template</u> provided, you will create a neat and orderly timeline of these ten significant events. You must put the month and the year of the event. Each event must also include a one-sentence description that explains why the event was so important to this historical decade. You must include a colored picture for each event.

Step Two- YOUR LIFE

You will create a timeline of your life from the <u>twelve different timeline options</u>. You have to be ten events from your past and predict five events in your future. For each event, you need to put the month and the year of the event, including the ones you are predicting for the future. Put a one-sentence description that explains why this event is so important to you. You must include a colored picture for each event.
