Each person turn in their own grading sheet

Assignment is to be turned in with names of all participants

Grade yourself in the grid below - Check that you have completed all requirements as you work. If you can answer “YES” to every question asked on this rubric, you should be able to give yourself full credit! If you’re grading yourself and the answer is “NO”, fix your work before turning it in. Be sure to honestly grade your partner on what you feel they deserve for their contribution to the assignment. If the work was evenly done your partner should get the score as you give yourself. If there is a large discrepancy in the score you give yourself and your partner you may be asked to explain confidentially. This will count as a QUIZ grade. Due Monday 4/3
