

# Research Guide

You will be researching on your own and then will collaborate with your group to fill in all the information on the google site.

## Background/Home Information

What is the issue?	
Where did it start?	
When did it start?	
Who was it affecting when it first started?	

## Impacts

Who is it affecting now?	
How are they being affected?	

**Organizations Involved** (Name? How are they involved? Who do they help? Mission statement? How do you contact them?) **You need to find at least 2**

1. Name:  How are they involved?  Who do they help?
---

Mission statement?

How do you contact them?

2. Name:

How are they involved?

Who do they help?

Mission statement?

How do you contact them?

**What can I do personally? What is your plan to get people involved? How do you want to see the issue changed?**
