

World War II Baseball Card Project

Task: you will create 10 “baseball cards” from the following list

Details:

-on the front of a 3 x 5 index card you will need the name of the person, a picture of the person and what alliance they were in (Axis or Allies), include their national flag during WWII. This may be done using digital presentation programs and submitted electronically.

-back you will write down 6 facts about the person, you may include when, where they were born and died, job/ rank during World War II, their activities during the war and fun facts. You must select at least 2 American, 2 German, 1 British, 1 Japanese, and 1 Soviet leader and any other 3 people of your choosing. If you want to select someone not on the list they must be approved by me.
